FOR LIFE, CULTURE & ENTERTAINMENT

**JOHN CARTER SNR,  
MAREN CARTER-TATTLE  
& MAXIMUS CARTER**

## **JC** THE LATE JOHN CARTER 'JC' NZ WINE INDUSTRY PIONEER, INNOVATOR & SOHO'S MENTOR

John was a NZ wine industry leader, his dedication to supply the very best winemaking and packaging products was both innovative and entrepreneurial. In 1973 he started Brewers and Winemakers Supplies which sold corks, caps, barrels, yeasts, enzymes, filtration & machinery to the NZ Wine Industry. Over the next 27 years JC achieved majority market share through his strong work ethic, honesty and ability to smooth talk. In the mid 90s Rachael Carter joined her oldest brother John Carter Jnr in working for JC. Renamed as Carter & Associates, it was later sold to Fosters Group in 2000 and JC began his next journey in the NZ wine industry by investing in vineyards in both Marlborough and Waiheke Island.

### **SOHO / UNIQUELY EMBODYING A PASSION FOR LIFE, CULTURE & ENTERTAINMENT.**

Utilising our own Carter Family Vineyards & other boutique estates, we have chosen 3 of the best nz winemakers from Waiheke Island, Marlborough & Central Otago - giving each wine its own distinctive style & personality.

At SOHO we create premium wine reflective of our life & the amazing people & pets we share it with.

SOHO respects the traditional winemaking process but pushes the boundaries operating an unconventional ethos rooted in raw creativity. This coupled with a desire to be one of nz's most awarded boutique wine companies has made SOHO a wine icon of modernity.

### **ORGANIC & LOW INTERVENTION FOCUS**

# OUR WINEMAKERS

## MARLBOROUGH PETE TURNER

SOHO's Marlborough Winemaker, Pete Turner, believes wines must wear their hearts and roots on their sleeves. "In the winery, we try to awaken a wine's true personality but also add character and interest."

Slightly obsessive compulsive (in a strangely relaxed way), Pete's approach to life and wine has always been about the experience and the now! Running, hitting the Waiheke waves with his daughters, and enjoying good food and wine with mates are all elements of a perfect day - everyday!

"As winemakers, if we can help make any moment shared over a glass of wine more enjoyable, then we've succeeded."

## WAIHEKE ISLAND JAMES ROWAN

James Rowan, our Waiheke Island winemaker, has a wonderful philosophy - "Wine, like life, is about texture. The fruit decides the style - we just guide it down the path, teasing out the nuances, playing in the shadows".

James is one of the NZ wine industry's true characters, his personality is like his wine, full of vigour & charm... trophies & gold medals earned are as outstanding as his facial hair!

## CENTRAL OTAGO MATT CONNELL

Flavoursome, complex and balanced could describe Matt Connell's personality, much like his wines.

With a mantelpiece dripping in gold bling, when it comes to Pinot Noir, Matt has the Midas Touch.

His Zen connection to the Central Otago winelands allows him to seek out and express the best qualities from every site and every vintage. Make no mistake, behind the laid-back, nice image Matt has grand expectations. Expect only the finest.

# SOHO TEAM

## **RACHAEL CARTER** FOUNDER, MANAGING DIRECTOR

As a youngster Rachael set out to work for her father in his wine supplies business. In 2002 Rachael started a screwcap company, her clever marketing "BEST SCREW ON THE PLANET" & hard work lead to a 98% market share & in 2008 she sold the screwcap business. In 2009 she created SOHO WINES to take on her father's growing vineyard portfolio. Her quest was to create a unique premium wine brand that embodied a passion for life, culture & all things fabulous. Her target market was herself (realising how much she actually drank this was a recipe for success!). Rach is known as the bionic woman (her spine & neck are full of Titanium), perhaps that explains her impressive ability to "no hands shot" a wine glass. Just as impressive is her Portfolio of wine, SOHO is regarded as one of NZ's most awarded boutique wine companies. SOHO VICE: Maren Riesling

## **SHENÉE MCLEAN** CUSTOMER SERVICE & OPERATIONS MANAGER

Shenée (Shen, aka the "little one"). Starting as a 20 year old intern this SOHOt has been on the scene since 2015. She may be small, but she takes on the mighty role of getting the wine into bottle, production & packaging is her thing! If you need SOHO, she's your girl. One of our top dealers, she'll invoice your wine faster than you can say "that can't be my last bottle?!" When she's not in the SOHO office with her work "moms", you'll find her with a chard in hand groovin' to Elton & Fleetwood Mac... our little ones' got an old soul.

## **ELINOR MUDU** OFFICE MANAGER

SOHO's Office Manager since 2011. Elinor has been in Customer Service for more years than she would like to admit. A Mother of 2 little ones & of 8 big ones (being us!). She is our SOHO backbone and to list what she does for SOHO & the team is actually endless. The nicest person you could meet BUT if you don't pay your bill you will receive the wrath of this fiery Scot! When not at SOHO, she enjoys faffing with a glass of Chardonnay in hand while cooking up a storm for her Italian family & friends.

#### **MAT REW RETAIL & ON-PREMISE MANAGER**

Mat Rew, a man of many talents! Beer and wine specialist, great dad, lead singer of City Newton Bombers, more of a Rabbitoh than Russell Crowe, a keen cricketer and former tailor to the stars!

His vivacious & infectious personality have earned him much respect not only by his peers, but also the entire liquor industry. He is uber passionate about most things in life especially wine & delivering great service to the many bars and restaurants he frequents. When not hustling wine, Mat loves a great tune and cranking up the Barbie... BBKing has come to town!

#### **HAMISH ARMSTRONG SALES & DISTRIBUTION ASSISTANT**

Coming from Auckland's most popular restaurant he knows the ins and outs... with a passion and dedication for customer service and a well balanced blend of international travel and wine education making him blend seamlessly with the SOHO team.

# WAIHEKE ISLAND

CARTER FAMILY  
ONETANGI JOMARA  
VINEYARD

**Waiheke Island** sits in the Hauraki Gulf, east of Auckland at 36.8 S in latitude, where it is protected from the prevailing weather patterns, making it drier and warmer than the mainland (fact - not just an urban myth!) The maritime influence means that extreme heat spikes are cooled by the sea breezes which also have a buffering, insulating effect at night. So, even though it is technically a cool climate wine region, the overall growing degree days and mean temperatures are equal to that of much hotter regions such as Bordeaux and the Northern Rhone. Weather is typically most settled in February, March and April, when Waiheke experiences an “endless summer”, allowing for generous hang-time of the grapes and picking at optimal ripeness. This said, winegrowing on Waiheke Island does have its challenges with the abundant bird life (pests), early season humidity and sometimes unseasonal rainfall. However, this is winegrowing on the edge which always produces the most unique and interesting wine styles. Soils are predominantly clay loam with some volcanic ash and gravels, providing the wines with an approachable structure and relatively soft tannins.

Tucked into the hillside of the Onetangi Valley on Waiheke, the north-west facing aspect of the Carter Vineyard is protected from the cold Southerly winds. The marginal clay soils help to delay ripening, retain acidity, and intensify the flavours. The average vine age

is now approximately 18 years, the depth and richness from which is reflected in the wines. The vineyard is dry-farmed and the gentle slopes help with run-off in wetter seasons. In the vineyard, no expense is spared in the interests of wine quality. All viticultural work is done by hand from winter pruning, through shoot thinning and leaf plucking to harvesting. Naturally low yielding, each block is carefully assessed for balance and fruit is often dropped to the ground, so the vines can put all their energy to ripening fewer bunches (Yip, Winemaker's Dream, Accountant's Nightmare!)

Completely hand-crafted from vine to bottle, SOHO Waiheke wines are a labour of passion. The guardians of the winery (pedantic winemakers) guide the fruit from the start to the end of its journey where fruit purity is respected first and foremost, so that the wines speak of their origins. Interest and complexity are built upon in the winery through careful oak selection, modern winemaking techniques and of course a little winemaking magic – Yes, the winemakers still get to have some fun.

Waiheke Island provides a unique terroir which spearheads the diversity of New Zealand wine. The Carter Family Vineyard showcases the pursuit of winegrowing excellence. SOHO brings this all together with a creative flair to deliver a bloody great wine experience. The SOHO wine hustlers and wine dealers continue to bring this experience to you!

CARTER FAMILY ORGANIC  
CERTIFIED YARRUM &  
JOMARA VINEYARDS

**Marlborough's** consistent unrushed growing season, long bright summer days, temperate Pacific breeze & cool nights preserve the bright fruit characters, which result in the ability to produce crisp, zesty whites & suave, mouth-filling cool climate reds. Varietals: Sauvignon Blanc (principle), Pinot Noir, Pinot Gris, Chardonnay, Riesling & Rosé.

SOHO utilises both the Wairau & Awatere districts. Within these sub regions are a varying complex array of micro climates & soils creating pure, taut & focused wines.

SOHO's Jomara & Yarrum vineyards are located on the Southern side of the Wairau Valley. Vines are planted on free draining silty clay loams, whites are on the flats (citrus & grapefruit characters) & reds on closely planted hill slopes (cherry, plum & earthy characters).

# CENTRAL OTAGO

CLUTHA  
RIDGE  
VINEYARDS

**At 45 degrees Latitude** and surrounded by a dramatic, mountainous backdrop, Central Otago is the only region in the country with a semi-continental climate. The low rainfall, short but intense summer, followed by a long, cool Autumn allow for intensification and concentration of flavour.

Soho utilises vineyards throughout the Cromwell basin from the elevated, warm terraces of Bendigo to the cooler, moderated Queensberry area. This sub-regional combination provides complexity of aroma and flavour as well as the perfect balance of power and elegance in Pinot Noir. The extremes of temperature between day and night in Central Otago also produce rich, aromatic Pinot Gris.
